

We are searching for **AWHONN members** interested in participating in the **AWHONN Oklahoma Section Hospital Representative Program!** Our dynamic Section needs members like you who have a passion for networking, sharing education opportunities and ideas, and promoting the benefits of belonging to our nursing specialty's professional organization. Having liaisons on the unit and at the bedside within our state's hospitals is vital to empowering women's health, obstetric and neonatal nurses. Our goal is to have an AWHONN Oklahoma Hospital Representative in every Oklahoma hospital.

The hospital representative is an **AWHONN member** with the willingness to **share information** about upcoming AWHONN **National** and Oklahoma **Section and Chapter events** through email, department bulletin boards and social media. Hospital representatives **encourage AWHONN membership** by demonstrating the personal rewards of belonging to your professional organization and staying connected with the latest in evidence-based practice.

AWHONN Oklahoma Hospital Representatives will be provided **personalized support, mentorship, and a 25% off discount** to the annual AWHONN Oklahoma Section Conference. Hospital Representatives can also work with Section and Chapter leaders to bring free webinars and other continuing education to your hospital.

Are you interested in being the AWHONN Oklahoma Representative for your hospital? If so, contact us! We will be accepting self-nominations through July 30th.

I am happy to answer any questions you may have and look forward to supporting you.
